CHELSEA GRIN

Chelsea Grin is an American Metal band from Salt Lake City, Utah. Formed in 2007, the group have released two EPs and five full-length albums, each of which has charted in Billboard - including 2018's *Eternal Nightmare*, 2016's landmark and essential Metal masterpiece, *Self Inflicted,* and 2014's genre game-changer, *Ashes To Ashes*.

The band named themselves after the infamous medieval torture maneuver known as the Glasgow smile or “Chelsea grin” *(google it at your own peril!).*

Always keeping the audience engaged, Chelsea Grin unleashes a unique onslaught of both technical and aggressive riffage. Vocally, Chelsea Grin dives deep into the inner demons of us all to create a soundtrack that leaves listeners craving more as a way to discover themselves. Chelsea Grin have been featured on a large number of European and American music festivals, which include the Vans Warped Tour, Download Festival, and many more.

QUOTE ABOUT THE RELEASE:: "It is written that human life has crawled forth from the darkest points of our existence, it is said life even when set a blaze returns a new like a Phoenix from ash. Many men have proclaimed to see,understand, and sometimes claim to have a gift from the gods. This is our creation for you, each song a representation of the trials and tribulations of life, each word chosen to represent an emotion, there is no greater story than the unknown and we believe this record Will paint a picture only your mind can see."

"We talk about self doubt overcoming inner demons, triumph of good over evil and living neutrally amongst the darkness. Also, I can’t really think about a reason for a double record other than it’s fucking bad ass." - Tom Barber
